

Trojan Club Membership Form

The Northwest Trojan Club supports the Student Athletic Program at Northwest Cabarrus High School. We would like to thank all who have supported our efforts in the past and ask that you continue your support through the upcoming school year 2009-2010. We would also like to thank the teachers and coaches who spend an enormous amount of time and energy to help our children enjoy the sport they love. Parents it is through your generosity of both time and money, in our membership program, that we are able to continue to support the student athletes and their coaches.

With the rising cost of transportation fuel, equipment, and supplies, your support is now more important than ever.
